We are delighted to announce that once again our Competition Law practice has been ranked in the **Elite category** in the **GCR 100** guide published by **Law Business Research**.

For more than 20 years, GCR 100 has conducted in-depth surveys of the work done in the international market by the world's best competition law firms.

In addition to the recognition in GCR 100, our Competition Law practice was also singled out as the Competition/Antitrust Law Firm of the Year at the 2024 Chambers Brazil Awards.

Recognition earned year after year is a reflection of consistently excellent work. Congratulations to the entire Competition Law team on this achievement!
