Published by Lexology of the Law Business Research group, which specializes in coverage of the legal world, the **GDR 100 guide once again highlighted BMA's Data Privacy and Cybersecurity practice** and the leadership of our partner Felipe Palhares. **The publication also pointed to our multidisciplinary work, carried out in conjunction with other areas of the firm, as a differentiating factor in our ability to better meet the needs of our clients.**

Recognitions like this consolidate BMA's performance as a reference in the legal market across different practice areas.

Congratulations to all for the recognition!
