World Trademark Review Global Leaders 2020, the second edition of the guide to the best trademark practitioners in the world, has highlighted our partner Antonella Carminatti in the Private Practice category.

The Global Leaders guide is based on surveys conducted by WTR 1000 and WTR 300. To be named a Global Leader, practitioners must be ranked as “gold tier”, the highest category in the WTR 1000 guide.

In addition to her expertise in trademarks, the guide highlights our specialist Antonella Carminatti’s ability to innovate and inspire, and to go the extra mile when it comes to delivering creative and sustainable solutions to our clients.

Congratulations to our partner for her dedication and professionalism in leading this practice area, consolidating her status as a reference in the market and making a fundamental contribution to the excellence of the work BMA does every day.
