Recognition

Our Competition partner **Barbara Rosenberg** was recognized for the fifth consecutive year by the prestigious **Women in Antitrust** directory published by **Global Competition Review – GCR**.

This edition of the directory lists 151 women practitioners from around the world, highlighting different personalities in leadership positions who, over their careers, have contributed to the practice of Antitrust law and the work of their peers, at a national or international level.

Click here to access the publication.

We are proud to congratulate our partner on another significant achievement!
