We are honored to announce that we have been recognized in the 30th edition of IFLR 1000, the well-known guide to the transactional market. Once again this year, BMA holds a prominent place in two categories: M&A and Project Development.

In addition to the practice areas, our practitioners have been recognized by IFLR 1000 in the categories Highly regarded and Notable practitioner. In all, 17 of our lawyers have been named as references in the market.

Differently from past editions, the IFLR 1000 results are being disclosed gradually, in four different groups over a period of four months.

We are proud to have made our mark on the Brazilian legal services market, in various practice areas. In this latest round, IFLR 1000 has recognized BMA for its work in the following areas: Banking and Finance, Capital Markets – Debt, Capital Markets – Equity, M&A, Private Equity, Project Development, and Project Finance.

Congratulations to all our specialists for this important achievement!
