Our specialists have been named as some of the best practitioners of business law, both nationally and internationally, by the English guide Who's Who Legal.

For 24 years, Who's Who Legal has identified the top practitioners in the legal market, through in-depth interviews with legal professionals and other market sources. This year, 15 BMA lawyers are included in WWL: Brazil 2020, along with 16 specialists named in the categories Global Elite Thought Leaders, Recommended, and Future Leaders in various practice areas in WWL's global guides.

For us at BMA, this recognition reflects the excellence we strive for and the constant dedication of our lawyers in treating each case with the care it requires, finding personalized, innovative solutions for clients in various segments of the market.

We are honored to have these practitioners as members of our firm, and to contribute to their place in the legal market, with recognition that goes beyond national borders.

The specialists highlight by WWL are:
