Recognition

We have been named as **one of the most admired law firms in Brazil in the 19th edition of Análise Advocacia**. The guide highlighted **BMA in the Full Service category in 17 practice areas, 30 economic sectors, and in the state of São Paulo**. In addition to the recognition earned by the firm, **112 of our practitioners were ranked**.

In this edition, **we held the top ranking in Arbitration, Competition and Corporate Law, and in the sectors Hotels and Tourism, Telecommunications, and Textiles, Clothing and Footwear**.

To reach the result, Análise conducted several interviews with legal and financial executives responsible for hiring legal services for Brazil's largest companies.
