The BMA is among the most admired law firms in the country in the **Ranking da Análise 2027 – Os Escritórios e Advogados Mais Admirados**. In this edition, we received **43 institutional recognitions**, standing out in **15 practice areas**, **27 economic sectors**, and in the state of **São Paulo**, in the Full Service category.

In addition to the institutional recognitions, our professionals received **108 individual mentions**, highlighting **36 members of the firm**.

Among our main achievements, we were once again ranked **1st in Arbitration and Competition**.

In **Competition Law**, the result is particularly noteworthy: the BMA was the only full-service law firm ranked **1st**, a position also achieved by our partner in the practice area, **Barbara Rosenberg**, who was the only professional in the full-service category to receive this ranking.

The research, based on interviews with legal and financial executives responsible for hiring legal services at major Brazilian companies, reflects the market's perception of the work carried out by law firms and their professionals.
