We have been highlighted in Expert Guides 2020, an annual guide to world's best lawyers, according to jurisdiction. Our specialists have been recognized as references in various practice areas.

This year our partner Barbara Rosenberg has received the highest accolade, as one of the "Best of the Best".

BMA also receives recognition in the Women in Business Law guide to the most respected women practitioners in business law around the world.

Antonella Carminatti, Monique Mavignier, Vivian Casanova Eskenazi, and, once again, Barbara Rosenberg are named in the guide.

Encouraging women's leadership and professional development is part of BMA's culture: it is a value present in our daily lives, both in and out of the office. We feel a special satisfaction to share in recognition such this, because it not only highlights the best lawyers in the market, it maintains a space dedicated to empowering and giving visibility to the excellence achieved by great women.
