Recognition

With pride, we share that **6 BMA professionals have been recognized in the Lexology Client Choice 2026 awards!** The accolade highlights lawyers who stand out for their excellent client service and the high technical quality of their work.

Meet the awardees:

- **Daniella Fragoso – Professional Negligence**
- **Jane Goldman Nusbaum – Capital Markets**
- **José Inacio Ferraz de Almeida Prado Filho – Competition**
- **Monique Mavignier – Corporate Governance**
- **Pedro Frankovsky Barroso – IP – Trade Secrets**
- **Vitor Butruce – Sports & Gaming**

As in previous editions, the results directly reflect client feedback. Among the main criteria evaluated by more than two thousand readers and invited clients are: quality of legal advice, commercial awareness, technical knowledge, strategic thinking, effective communication, use of technology, loyalty, and ethics.

We are very proud of the recognition received by our professionals, who work in diverse and complementary areas, reinforcing the consistency and excellence of the work carried out throughout the year. We remain committed to providing innovative solutions aligned with the needs of our business partners.

The awards ceremony will take place in March of next year.
