Recognition

Again this year, BMA is highlighted the Latin America 2021 guide published by The Legal 500. With 20 practice areas and 55 lawyers named in the review, we continue to grow as a reference in the Brazilian legal market.

"What makes the BMA team extraordinary is the ability to meet all the demands of the client with great agility and quality" and "Individuals think outside the box and always come up with smart and creative solutions to the impasses presented" are some of the testimonials given about our firm.

The guide, which is based on a qualitative survey of law firms around the world, recognizes the excellence of BMA's services in the following practice areas: Competition and Antitrust, Corporate and M&A, Banking and Finance, Capital Markets, Dispute Resolution: Arbitration, Intellectual Property, Real Estate, Restructuring and Insolvency, Compliance, Dispute Resolution: Litigation, Environment, Labour and Employment, Tax, TMT: Cybersecurity and Data Privacy, Wealth and Succession Planning, Electricity, Insurance, Projects and Infrastructure, Public law, TMT: Telecoms and Media.

In addition to our practice areas, the brilliance and professionalism of our practitioners were recognized by the guide in three categories: Leading Individuals, Next Generation Partners and Rising Stars.
