We are one of the most admired law firms in Brazil, according to the 17th edition of **Análise Advocacia**, Brazil's legal directory. BMA is listed in the Full Service category in 15 specializations, 30 economic sectors and in Rio de Janeiro. Aside from the recognition won by the firm, 41 BMA practitioners are also ranked.

Once again, our partner Barbara Rosenberg is the only top-ranked lawyer among the most admired Competition practitioners in Brazil. Along with other market peers, Barbara also holds first place in the following categories: Steel and mining, technology, and São Paulo legal practitioners.

Three other BMA partners were ranked first, along with market peers, in different areas:

- Felipe Palhares - Digital
- Luiz Antonio de Sampaio Campos – Pulp and Paper
- Monique Mavignier – Food, Beverages and Tobacco

To arrive at this year's results, **Análise Advocaia** conducted interviews with financial and legal executives who are responsible for hiring legal services for Brazil's largest companies.
