We are proud to announce that BMA was one of the winners at the **IFLR Americas Awards 2020**, which recognizes the law firms involved in the most innovative transnational deals on the continent completed during 2019.

The winners were announced last Thursday, May 14th. Exceptionally, because of the Covid-19 pandemic, there was no award ceremony.

BMA was recognized in three different categories for its work in distinct areas, highlighting the excellence of BMA's full service practice and its commitment to the quality of services provided to our clients.

We acted in the following award-winning deals:

Deal of the year: Equity – Counsel to XP Inc in its IPO on Nasdaq. XP's initial public offering was the second largest ever made by a Brazilian company.

Deal of the year: M&A – Counsel to Engie in the Compliance matters in Engie's purchase of TAG.

Deal of the year: Restructuring – Counsel to the controlling shareholders in connection with the negotiation and restructuring of Constellation Oil Services.
