Our tax practice has been recognized again this year by ITR World Tax in the categories **General Corporate Tax, Indirect Tax, Tax Controversy, Transactional Tax and Transfer Pricing.**

Our tax team's work also earned us individual accolades: Our partners **Hermano Barbosa, José Otavio Haddad Faloppa, Lígia Regini, Luiza Lacerda, Maurício Pereira Faro, Thais de Barros Meira and Vivian Casanova** were all named by this guide to the world's leading tax practices.

This recognition is the result of our tax team's dedication and work over the last year, developing innovative and personalized solutions on tax-related issues for different businesses and sectors of the economy. We are proud to have achieved this important recognition.
