Chambers' High Net Worth guide to the top lawyers and law firms in **Private Wealth Law** has ranked BMA as Band 1, the guide's highest level, for the fourth consecutive year. **Our partner Hermano Notaroberto Barbosa also continues to be a Band 1** highlight, consolidating the excellence of the work done by our Wealth and Succession Planning practice and our practitioners.

In preparing the guide, Chambers conducts an extensive survey of clients and peers that assesses technical legal knowledge, diligence, market vision, and service quality.

We are very proud to be included among the top-ranked Private Wealth Law firms once again this year. Congratulations to all our Wealth and Succession Planning practitioners and especially our partner Hermano Notaroberto Barbosa on this outstanding recognition.
