Environmental, Climate and Mining

Professional experience

Ana has extensive experience in sustainability projects, with a multidisciplinary approach. She plays an active role in public hearings and maintains relationships with public authorities, as well as traditional, quilombola, and indigenous communities. Ana has led legal strategies in lawsuits for compensation of environmental disaster victims, conducted environmental risk analyses, and audits. She is also a recognized speaker on topics such as the environment, ESG, and climate change.

Education

Business and Climate Change: Towards Net Zero Emissions (Cambridge Institute for Sustainability Leadership - CISL (2023).

LLM - University of California, Berkeley (2014).

Postgraduate Degree in Civil Procedural Law – Pontifícia Universidade Católica do Rio de Janeiro - PUC/RJ (2011).

LL.B. - Fundação Getulio Vargas - FGV Direito Rio (2009).

Recognitions

Ana received inspiring citations such as "excellent knowledge of environmental legislation" and "detailed and organized practice" by the Lexology Index, formerly Who's Who Legal, in 2021.

Ana was recognized for her work in Climate and Environmental and Climate Law by Análise Mulher in 2022.
