Dispute Resolution

Professional experience

Daniele practices in judicial proceedings involving significant contractual matters, as well as public civil actions and class actions, and disputes related to competition law, consumer law, and image rights. She also provides advisory services in the pre-litigation phase, including the drafting and review of contractual clauses and legal opinions.

Her clients include leading national and international companies operating across several sectors of the economy, such as financial services, technology, agribusiness, industry, and the food industry.

Education

LL.B. – Universidade Presbiteriana Mackenzie (2017).
