Competition Law

Professional experience

João Novazzi represents clients in a variety of matters related to antitrust/competition law and antitrust compliance.

He has experience in cases involving maritime transportation, auto parts, digital markets, the port sector, logistics, telecommunications, steel, infrastructure, insurance, as well as bid-rigging and international cartels.

In the area of antitrust compliance, he has experience training company employees and regularly monitoring meetings of trade associations and other forums, with the aim of providing guidance on best practices from an antitrust perspective.

He was awarded Best Committee Delegate at the FAAP Student Discussion Forum, a simulation of multilateral organizations based on the renowned Model United Nations (2017).

Education
