Practice Areas

Intellectual Property

Professional experience

She focuses on client advisory work, planning and implementing effective strategies to provide intellectual property protection in Brazil and abroad. She is involved in filing and prosecuting patent and design applications, conducts prior art searches, drafts patent applications, and prepares landscape and freedom to operate analyses, oppositions and infringement opinions. Her industry experience while at one of Brazil's largest companies brings a unique perspective to her work.

Education

MBA in Marketing - Fundação Getúlio Vargas - FGV (2000)

Chemical Engineering - Universidade Federal do Rio de Janeiro - UFRJ (1995)

Associations

Brazilian Intellectual Property Association – ABPI

Intellectual Property Owners Association – IPO

Regional Chemistry Council – CRQ, Rio de Janeiro

Recognitions

Lilian is frequently recognized by specialized publications such as IP Stars, as Notable Practitioner, and IAM Patent 1000.
