Professional experience

Marcos has also done much work in anticompetitive conduct matters, such as cartel investigations, unilateral conduct investigations, and negotiations for administrative settlements. He also has solid experience in the creation and implementation of antitrust compliance programs.

He has participated in some of the most important merger reviews and cartel investigations in Brazil, including major acquisitions in the health, food and finance industries.

He has worked as a visiting foreign attorney with Jones Day, New York (2012-2013).

Marcos is a member of the BMA Diversity Committee.

Education

LL.M. in Competition, Innovation and Information Law – New York University (2012).

LL.B. with emphasis on Business Law – Universidade de São Paulo – USP (2006).

Associations

Marcos is a member of the Competition and Regulation Committee of the Brazilian Bar Association. He is also a member of the American Bar Association.

Recognitions

Marcos Exposto is frequently distinguished in Competition and Antitrust area by international publications such as Chambers Brazil, Chambers Global, Latin Lawyer, LACCA Approved, Legal 500, Lexology Index and Análise Advocacia. Also, Marcos has been recognized as a Client Choice winner by the International Law Office - ILO.

Marcos is our main point of contact. He is very agile while keeping calm and bringing good advices for our company.
