Professional experience

Victória has experience advising companies on corporate reorganization projects, as well as analyzing supply chains involving the importation, industrialization, and commercialization of goods and the provision of services. She also has prior experience in administrative tax litigation, with an emphasis on state and municipal levels.

Her practice includes the analysis and preparation of requests for tax rulings and special regimes, as well as the monitoring of tax incentives and special tax treatments, including liaising between taxpayers and tax authorities. She advises clients across a wide range of industries, including food and beverages, information technology, infrastructure, energy and gas, pharmaceuticals, cosmetics, pulp and paper, services, wholesale, and retail.

Education

Post-graduation in Tax Law – Fundação Getúlio Vargas – FGV/SP (2022).

LL.B. – Pontifícia Universidade Católica de São Paulo – PUC/SP (2019).
